Did you know that besides all the great health benefits Plexus gives you, you could also get money back. That's right!!! With just a small yearly membership fee of \$34.95 you not only can get your products at the cheapest price possible but you can also earn money and other bonuses. No there is not a catch. No you don't need to have lots of inventory. No you don't need to spend thousands to make only a few dollars. You start making money after the first \$100 PV is spent on your account. Whether it's by you or a customer. Who doesn't love getting paid to use something.
