This gorgeous 12-year old gelding is small to medium in height, and big in his personality. He is spirited and dominant, but gentle with kids and small animals. He tries to please and likes to have fun too!

His short stature makes him an ideal horse for kids, and is recommended for intermediate to advanced partners.

He has mostly been used for trail riding, but knows the barrel pattern well. He is very fast, loves to run, and would be a good natural horsemanship partner.

Joe has much potential! He is confident in most situations and makes an amazing recreational trail horse.

Located in Leeds, Alabama, asking \$750 (reasonable offers entertained.)
